Ripe Media Places in Top International Award – 2022 Summit Creative Award®

FOR IMMEDIATE RELEASE

(Los Angeles, CA – 09/22/22) - Out of more than 3400 submissions from 19 countries, Ripe Media is named a Gold Winner in the 2022 Summit Creative Award competition for its creative work for Global LA.

"It has been an honor to partner with the Mayor's Office of Los Angeles and Community Partners to launch this dynamic organization that brings international businesses into our city. Global LA opens up so many fruitful opportunities for businesses, as well as facilitates access to economic opportunities for all. To win a 2022 Summit Creative Award on an international stage is both apropos and furthers the organization's urgent mission. RIPE and Global LA is thrilled to have received this recognition and for the elevated spotlight on our vibrant city." – Heather Richman, Co-Founder/Creative Director, Ripe Media

The Summit Creative Award recognizes and celebrates the creative achievements of small and medium-sized advertising agencies worldwide with annual billings under \$30 million.

Celebrating its 28th year, the Summit Creative Award has firmly established itself as the premier arbiter of creative excellence for firms of this size and has become a coveted honor.

Entries in 18 major categories are judged against a stringent set of standards. During its blind judging (entering company names withheld) the Board of Judges search for and identify innovative and creative concepts, strong executions and user experience, and the ability to communicate and persuade. Winners were selected in a wide-range of categories from print and broadcast to, online advertising and social media.

"Winning a Summit Creative Award is a significant accomplishment in one's career. Only deserving entries receive recognition with vetted judges, tough judging criteria, two-phase blind judging processes, and strict bylaws limiting winners." Said Jocelyn Luciano, Managing Director for the Summit International Awards. "The creative work this year was outstanding. Watching the judges debate the details of individual entries in the run-off for the tops spots was inspiring."

The Summit Awards organization was founded in 1994. Annually it conducts the Summit Creative Award, the Summit Marketing Effectiveness Award and the Summit Emerging Media Award. Additional information about the organization, its competitions, and winning firms can be found on the Summit Award's website at www.summitawards.com.

Ripe Media is a full-service creative agency that thrives on collegial, co-creative partnerships. For decades, they have served as dedicated thought partners for clients in marketing, [web design](#), communications, [brand strategy](#), [nonprofit branding](#), design, and development.
