Content Syndication Strategy

When Google sees your content syndicated in major news sites it marks you as an authority. Content Syndication gives you a direct line to 50+ high authority news sites, putting your content in front of thousands of new readers. To ensure Google gives you credit as the the original author, we use the rel=canonical tag and source the original blog at the bottom with a link.

1

Editorial Review Process

Complete

Our team reviews and approves your content for syndication.

2

Syndication Push

Complete

Our platform connects with various syndication partners to evaluate and push out your content.

3

Validation

Complete

Our platform validates each URL to make sure they're properly published and active.

Content Syndication Results

Below are the posts we published as a results of our content syndication distribution process. Each site was selected to broaden the reach of your original post.

Total Syndicated Posts
